

# *GERM 502*

# MIDDLE HIGH GERMAN

This course teaches the basic elements of the Middle High German language and exposes students to a variety of textual genres from the high Middle Ages such as courtly romance, heroic epic, love lyric, and religious literature.

The focus is on language and translation, but the close textual work also provides an introduction to medieval literature and culture.

**DR RUTH VON BERNUTH**

FRIDAY 10:15 AM – 1:15 PM
