

# ***Isn't it time you read War and Peace?***

RUSS 479

# **TOLSTOY**

Spring 2018

In this course we will study the most prominent works of this towering figure of world literature, including his two greatest novels, **Anna Karenina** and **War and Peace**, as well as a number of shorter texts. Our reading of the primary texts will be enriched by a steady diet of important critical works that Tolstoy has inspired in the 19th century and beyond.
